## SAVE AUTOMATICALLY:

## Pay Yourself First and Watch Your Money Grow.

1. Choose the amount you would like to automatically save each period.

Even \$10-50 of your paycheck, weekly or bi-weekly, can provide substantial savings over time.

2. Set up automatic savings through your employer or financial institution.

| Employer |  |
| :--- | :--- | :--- |
| \$\$\$ | Employer Direct Deposit Split |
| Direct Deposit Direct Deposit <br> into a Savings <br> into a Checking <br> Account | Account |

## Financial Institution

Employer Deposits Full Check into a Checking Account. Bank Automatic Transfer from Checking Account

| $\$ \$ \$$ | Bank Automatic <br>  <br>  <br>  <br>  <br>  Savansfer into a |
| :--- | :--- |
|  |  |

3. Even small amounts, saved automatically each pay period, make a big difference.

Amount saved over a one year period.
Weekly | Bi-Weekly
